Dear Sir/Madam

I would like to apply for Web Developer Internship at your company, I believe my skills and experience align well with this position, and try to learn from the teamwork and research to develop myself and the company. I am proud to work for your company because it is a standard one. I have long satisfied your company, and I hope my future will be bright if I can work for your company.

I await your response, and I am available to attend the interview at any time that is convenient for you, and I also will be selected for the position.

Best Regards

THOEURN Seyhat
